Dear Harold:

Just a note to say how impressed my wife and I were with "Whitewash." I just happened to run across it at a local newstand, so I picked up a copy at once.

We are currently reading the Manchester serialization in Look Magazine, and we both think it is one large zero. The fight about it was a lot better and more interesting than the book.

I can't imagine how you and Lillian ever were able to wade through the report and amass so much material disproving the conclusions.

Congratulations,

Bill Clark
